

Oxenhope Neighbourhood Plan

An introduction.....

Oxenhope Neighbourhood Plan

Integreat Plus is a non-profit social enterprise that works with communities, local authorities and other social enterprises to help deliver their spatial aspirations and improve their quality of life.

We are working with the people of Oxenhope to facilitate and guide you through the Neighbourhood Planning process.

Oxenhope Neighbourhood Plan

What other issues and topics might be included?

- Natural environment / green issues
- Drainage and flooding
- Design
- Local Economy

Cottingham Neighbourhood Plan

Cot-B / K Concept Statement

April 2014

Oxenhope Neighbourhood Plan

Natural environment / green issues

- Strategies and policies to protect and enhance the natural and green environment
- Tackle pollution (Co2, light, noise & litter)
- Promote better management of and access to the natural environment for everyone

Oxenhope Neighbourhood Plan

Drainage and flooding

- Strategies and policies to protect Oxenhope and manage drainage, flooding and water issues
- Promote the use of sustainable drainage strategies
- Include flooding and water management as key considerations in new development

River Worth Flooding Boxing day 2015

Oxenhope Neighbourhood Plan

Design

- Specific guidance to promote the best in local design and place-making
- Design guidance can help ensure that new development is in keeping with the local vernacular and is of high quality

Oxenhope Neighbourhood Plan

Local economy

- Policies and statements to encourage and support specific local economic activity e.g Agriculture, Leisure & Tourism
- A way to encourage and support new forms of local employment e.g micro and small businesses, home-working and co-working spaces in addition to improving internet access

Oxenhope Neighbourhood Plan

Community involvement

- The Neighbourhood Plan is a great way to strengthen community spirit and cohesion
- It can bring people together and instill a sense of community pride and ownership
- People can often learn new skills and meet new people in their community
